Dear Fellow Nurseryman:

Beside the following list of hardy field grown perennials we grow a large assortment of these in 5 1/2 inch perennial pots. Popular items such as Oriental Poppies, German Iris and Bleeding Heart at \$60.00 per hundred and items such as Alyssum saxatile, Lupins, Veronicas and many, many others at \$40.00 per hundred. These potted plants are easy to sell and handle in nursery centers or stands where a minimum of space and sales help is available. We will pot up any variety listed and deliver any reasonable order within a radius of 50 miles from our place.

You will also find at our nursery an assortment of shrubs and evergreens in pots and nursery cans, so why not pay us a visit.

Sunny Border Nurseries are located between Meriden and New Britain just a short ride from the Wilbur Cross Highway. We are always happy to have you visit our place when you are in this vicinity.

It is difficult for us to prepare an order for you while you wait in our busy seasons. A few days notice would be appreciated very much.

Sincerely yours,

ROBERT BENNERUP
